

Booking space for campers, vans, tents and keelboats – OK

WORLDS 2026 at Skovshoved Harbor

Dear Participants

If you want to book space for campers, vans or tents, while you are participating in the OK worlds, you should be aware that such booking can't be made on manage2sail, or by contacting the organizer. Instead, you must contact Skovshoved harbor office direct. The easy way will be mailing to skovshoved.havn@gentofte.dk.

Making the reservation as smooth as possible, it will be a good idea giving the harbor office all relevant information, while you first time get in touch with them. This includes your name, address, phone number, and your boats sailing number, incl. national sign. The period and days you intend to stay and of course which type of space and for campers and van the registration number. For keelboats the size.

About campers:

The space for this will be in the Southern Park area, where you will have access to electricity (CE connection). You can have table and chairs outside, but not for tents due to fire regulations. The prize is dkr. 425 a day incl. electricity. Paying on arrival at the harbor office.

About vans:

This should be placed inside a marked parking space in the harbor area. No connection to electricity and no table and chairs outside the van. Free of charge. If you want connection to electricity and / or chair and table outside the van, then your van will be considered as a camper and treated as mentioned above.

Tents:

Shall be placed on a marked area in the Northern End of the harbor. No access to electricity, but you can have table and chairs outside, The prize dkr. 130 a day. Paying on arrival at the harbor office.

Keelboats

Staying in boat during the worlds will be in accordance with the harbor rules for guest boats.
